BAKER DISTRIBUTING CO., INC., full service heating, air conditioning, ventilation and refrigeration distributor for equipment, parts and supplies.

BITZER is a leading worldwide manufacturer of reciprocating compressors, screw compressors and (new) scroll compressor.

C. C. DICKSON CO., With 109 locations in 9 states—and more locations to come—C.C. Dickson Co. is the largest HVAC/R wholesale supplier in the southeastern United States. We are striving to have branch locations that are geographically convenient for our technicians and their job sites. C.C. Dickson Co. has been Customer-Focused since 1933.

CANNON MARKETING/HOSHIZAKI, wholesale distributor for commercial ice machines and parts and refrigeration.

CHADWICK & ASSOCIATES, INC., Celebrating over 20 years of service to the HVAC/R Industry while representing many fine manufacturers.

CLIGHT MANUFACTURING COMPANY offers (1) Super Seal: A tool to repair micron leaks in refrigeration systems from the inside out and (2) Ultra violet lights and dyes to detect leaks in refrigeration and a/c systems.

DIVERSITECH/SPECIALTY CHEMICALS.

DU PONT COMPANY pioneered much of the science that makes refrigeration and air conditioning possible. With over 75 years of proven leadership in refrigerants science and technology, we offer the broadest range of refrigerant solutions for new and existing equipment. We are committed to leading the search for new cooling solutions that improve comfort and enhance the quality of life around the world.

EMPIRE EQUIPMENT CO., wholesale distributors and manufacturer representatives of commercial foodservice equipment.

ENGINEERING EQUIPMENT SALES, (1) Drake Refrigeration: A/C and Process Package Chillers, (2) Bohn Refrigeration: Commercial Refrigeration Products, and (3) Fabricair, Inc.: Fabric Duct Technology in HVAC & Refrigeration.

E. V. DUNBAR COMPANY, an Atlanta area based representative agency covering eight southeastern states representing: Genetron Refrigerants, Yellow Jacket, fluke, Diversitech, J. W. Harris, RGF Environmental, and Packless.

FIELDPIECE INSTRUMENTS, Testing instruments for the HVAC/R Industry.

FRANK DOOR COMPANY, America's "New Standard" for Cold Storage Doors. Frank Door offers a complete line of insulated cold storage doors.

HILL PHOENIX is a major manufacturer of refrigeration display cases, walk-in coolers and freezers, compressor systems, machine houses and electrical distribution products.

ICE O MATIC ice machines.

ICOR INTERNATIONAL, INC., manufacturer of environmentally friendly, easy to use, alternative refrigerants. We offer proven products and unmatched technical support.

INFICON is a manufacturer of HVAC and R service tools including leak detectors, recovery machines, charging scales and other gas detectors.

JOHNSTONE SUPPLY National HVAC/R supplier for over 22,000 products from over 400 of the industry's leading manufacturers. Five central NC stores.

KYSOR//WARREN, for over 125 years has supplied refrigeration equipment to the food retail industry, offering a complete line of refrigerated display cases and highly engineered, value-added refrigeration systems.

LINZMAIER & ASSOCIATES, INC., Manufacturers' Rep – sell compressors and components. Represents: Aircondex, A-1 Components.

MID ATLANTIC SALES.

MIDSOUTH MARKETING, Grasslin Controls (timers, controls), Gastite (CSST).

MILWAUKEE TOOL CORPORATION, Power Tool and Accessory Solutions. Heavy Duty Industrial Grade Tools.

MUELLER INDUSTRIES, Mueller copper tube, copper fillings, refrigeration ball valves, compressor valves, relief valves, check valves.

REF-TEC, RefPlus Refrigeration Equipment, Condensing Units, Evaporators, Condensers, Fluid Coolers, Handbell Screw Compressors, R.E.S. Doors and W/I Panels, Arecont Control Systems, ICE-O-MATIC Ice machines, Planning and Design Services.

SPECTRONICS CORPORATION, offers fluorescent leak detection products for refrigerants, synthetic or petroleum-based fluids, fuel and water system. Featuring OEM-approved, solvent-free, lubricant-specific fluorescent dyes and patented high intensity UV, UV/Blue and LED inspection lights. For use in all A/C, refrigerant and all fluid systems. Economically priced and ideal for preventive maintenance.

SPORLAN VALVE DIVISION – PARKER HANNIFIN, Refrigeration and A/C Flow Control Valves.

STEVE LEE & ASSOCIATES, Representing Parker, Johnson Controls, Heatcraft and Tracpipe.

SUPERMARKET SYSTEMS, INC., W.A. Brown walk in coolers/freezers; Altech refrigeration controls; R. J. Trausch Ref Case Parts, Reskinning kits for Hill, Hussman, Kysor/Warren/Tyler.

TESTO, INC., The world leader in development and manufacturing of portable measuring solutions for combustion, refrigeration, temperature, humidity, air velocity, pressure, visual inspection, RPM, pH, sound and more. In 2007 we celebrate our 50<sup>th</sup> year in business with 50 new product innovations for our customers including an all new line of AC/R system analyzers. Check us out at [www.testo.us](http://www.testo.us).

THE FLORA GROUP, Manufacturer's Representative, HVACR.

TRIAD ONE ENTERPRISES INC., Private seminars to help persons pass HVAC/Refrigeration/ Electrical Contractors Exam.

TUTTLE COMPANY represents (1) Sealed Unit Parts Co. (SUPCO) – repair parts; (2) Rectorseal Corporation – chemical; and (3) Weiss Instruments – thermometers.

UNITED COMPONENTS, Manufacturer representative agency. Products: Appion Refrigerant Recovery Machine, Armacel – Pipe Insulation.

UNITED REFRIGERATION has been in the HVAC/Refrigeration wholesale business since 1947 with 285 locations in the United States, seven in North Carolina with complete HVAC/refrigeration products in stock. United Refrigeration's commitment is to meet your needs and exceed your expectations.
