Mail Application To: State Board of Refrigeration Examiners
1027 US Highway 70 West, Suite 221
Garner, North Carolina 27529

SUPERVISOR'S STATEMENT

(This page to be completed by persons who supervised applicant)

Notice to Licensee/Employer regarding experience: In order for the Board to maintain appropriate standards of competence for new licensees, it is important that extreme care be exercised in verifying an applicant's experience. The Board reserves the right to review, if necessary, all employment records prior to making a final determination of the applicant's experience. If any former employee asks that you sign a form verifying his/her work experience so as to qualify for an examination, you must complete these forms to the extent of your knowledge. An unjustified refusal to sign appropriately documented forms provided by the applicant will lead to an appearance before a Board review official.

The Board understands that on occasion employees are dismissed due to lack of skill, tardiness, substance abuse, theft or other reasons. In such circumstances, you may wish to provide additional information to the Board by separate letter. The Board will consider all such information within the limits of its duty and authority.

The person listed below is applying for a North Carolina refrigeration contractor examination. A minimum of 4000 hours of refrigeration experience is required before an application may be accepted by the NC State Board of Refrigeration Examiners. This experience must have been acquired while engaged actively and directly in the installation, maintenance, servicing and repairing of commercial, transport, or industrial refrigeration equipment. Qualifying experience must have been acquired while working under the supervision of person(s) holding a valid refrigeration contractor's license, registered professional engineer or equivalent*.

If applying for multiple types of refrigeration licenses, such as Commercial and Industrial, this page must be filled out for each type of license.

1. I certify that _____ has acquired a total of _____ hours of refrigeration experience while working under my supervision. He has engaged in the installation ____, maintenance ____, service ____, or repair ____ of commercial ____, transport ____, or industrial ____ refrigeration equipment while working under my supervision.
